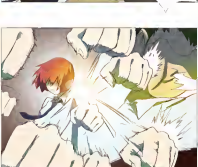
Good morning, everyone.
I've got carpal tunnel syndrome.
Really? When will it heal?
Well? A month?
How about performing live at the next festival? Can you still do it?
Impossible.



It's not too late to find another musician, so let's try to ask another player.
You can at least let them play piano.
There must be at least one person who plays!
I studied the guitar piano!

22th Story

Who's performing at the music festival week, we'll choose in it on.
There aren't many participating, so there won't be a preliminary round.

It's a lie.

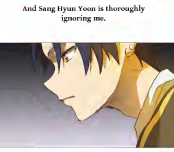
The school is back to normal. It's as if nothing's happened.

Even if I'm hated and bullied, this world doesn't change at all.

School starts at 8:30 am as usual, and finishes at 5:30 pm. Nobody cares about my situation.

But the emo people who used to act so tough are cowering like dogs now.

Ji Hoon Lee is no longer at school,



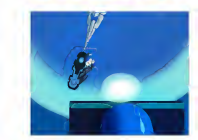
And Sang Hyun Yoon is thoroughly ignoring me.

Somebody do something!

Shoot!

Out of the way, everyone! I'll shoot them!

Jump



Two Arches! Does she still have enough streams points?

Shoot

CRITICAL!
Shoot
Whe-

GOAL!
It's in!
We won!

We won!
Shoot
Kick!
Kick!
Kick!

The game world is definitely more fun.

No one can deny it,
whether you play a little or a lot.

What would the "me" when I was younger say to the "me" I am now?

"Yes! What you're doing right now! This is the adventure and life that I want!"

...Would she say that and be happy?

It was at that point, I knew that Ji Hoon was going back to Germany,

When he came to collect his things from school for the last time.
